

Signal Pres takes seriously its commitment to enable all students to participate in key ministry activities. We don't want finances alone to keep someone from going on a trip! Over the years, we've developed a Scholarship Fund for Summer Trips and the following guidelines to help us in this process. (Note: FISH and Fall Retreat scholarships are handled separately).

1. The fund is for Signal Mountain Presbyterian Church members or active participants in SM2 Student Ministry activities.
2. The individual seeking scholarship funding must pay for as much of their own trip as possible, either from their own personal funds or by personally raising funds for their trip.
3. Money will not be released from the Scholarship Fund until the applicant has paid all BUT the scholarship amount. (The scholarship cannot be used for deposits on trips or initial funding – it should be the final payment).
4. The Scholarship Fund may be used by an individual up to three times; however, a Scholarship Fund recipient in one year goes to the bottom of the consideration list for the following year. Applications will only be considered for one trip per year.
5. Any individual who is granted funds for their trip will agree to come up with volunteer hours (in the student ministry, related as much as possible specifically to the trip) that correspond to the funds they receive. See below.
6. Both the Scholarship Application and Reference must be submitted by the Registration Deadline. Incomplete forms will not be considered.
7. Scholarship funding will be as follows:

First, SMPC will provide scholarship funds up to 75% of the participant cost of a summer trip. Students agree to volunteer hours roughly related to the scholarship: 3 hours for 25%, 6 hours for 50%, and 10 hours for 75%.

Second, first-time applicants for scholarships take precedence over previous recipients.

Third, children of SMPC staff members are eligible for the 75% scholarship towards the cost of a mission trip.

Fourth, all of the above is contingent on funds being available through the Scholarship Funds at the time of application.

If you have any questions, please contact one of the Youth Staff at Signal Pres.
